# ROARING BRANCH CAMPS

ESTABLISHED 1913

"The Vacation You Have Longed For"

- Roaring Branch is a special outdoor world of adventure, log cabins, virgin white pines, a clear mountain stream and a sense of Green Mountain tranquility. Situated in Southern Vermont 10 miles north of Bennington, Roaring Branch is a family resort with 36 acres of white pine tree stand, straight and tall, reaching for the sky.
- Each cabin is placed among the pines to insure complete privacy. Single hardwood built between 1912 and 1917, they have from one to four bedrooms and assorted, gift space. All have a wood burning fireplace, a living area, and a double bedroom, downstairs.
- All cabins are completely furnished for an ideal vacation. You need only bring food, bed linen, and of course anything you wish to make your stay more comfortable. Yes, that does include the family pet.
- Roaring Branch has sports to fit every taste. The area is bounded by the Roaring Branch of the Batten Kill River on the south and west. Fly fishing for the elusive native brook trout is right outside your front door, and the cool, clear waters offer an inviting swimming area for all guests. Situated among the pine trees, two clay tennis courts offer tennis at its very best; and, lessons are available. Other sports include volleyball, basketball, badminton, ping pong, croquet, and horseshoes. But many will just cherish a walk in the woods, a quiet moment by the brook, or a cozy fire in one's own log cabin.
